

Head of Environment
South Bucks District Council
c/o King George V House
King George V Road
Amersham
Bucks HP6 5AW

For the attention of Mr S Gray

Indemnification of District Council

I confirm that,(Print Name), using Trumper’s Field, Dorney for(Purpose) will indemnify South Bucks District Council against any claim arising from the use of the land which will take place from (Start Date) to.....(End Date)

We will ensure that the equipment is used safely and, if appropriate, temporary safety fencing is maintained around the area for the duration of the use. The fencing will be removed from site in its entirety at the end of the use.

We will ensure that the use of the land does not interfere with the use by others of open space, the football pitch or playground, or other contractors maintaining the land.

We will ensure that those carrying out work to erect Gazebos/ Bouncy Castles, Marquees etc, will wear appropriate clothing; use well maintained tools, machinery and equipment in accordance with the manufacturer’s guidelines and safe working practices and hold current certification for the machinery and for the operatives using it.

The operators will ensure that any tools, machinery or equipment used shall be left secure, disabled or taken away from site at the end of each day or when not in use, and at the completion, removed from the site in their entirety. They will further ensure that the work will be carried out in accordance with sensitive and appropriate working practices and follow health and safety requirements.

We will also ensure that the area is left clean and tidy and that any damage caused to the Council’s land (hard and soft landscaping) is repaired to the satisfaction of the Head of Environment. If we fail to make good any damage, the Council may recover its costs from us for any necessary repairs or remedial works.

We are advised that you hold a copy of Dorney Village Hall’s Public Liability current Insurance schedule with Public Liability insurance of at least £2 million. We will ensure that the operatives of all equipment/ Bouncy castles etc., supply a copy of their Insurance, Risk Assessment and Method Statement for their work.
